ABOUT THIS LEARNING OBJECT

Swaha is a very simple and easy to use storytelling App available for IOS (iPad & iPhone). It lets you choose photos from your camera roll and record a story with text and audio to go with your photos. Swaha is currently a free App. Please note - Although the App works perfectly well on the iPad it has been designed for best use on the iPhone, therefore the view is fixed in portrait during use and will not default to landscape.

STEP 1. DOWNLOAD THE APP

First download the [Swaha App](#) from the App Store.

STEP 2. WATCH THE TUTORIAL & CREATE YOUR STORY
