

Our next Steps with Tablets

Instructions for course participants:

1. Gather together with your colleagues from your organisation/school or from the same or similar school level.
2. Choose a nice place (Café or Bar)
3. Discuss the following: Choose two resources/ideas you have learnt about this week that you will use in your work place on your return.
 - a. Describe what you will use (please bear in mind to choose something that will allow learners with different abilities to benefit from it)
 - b. How you will use it
 - c. What skills your learners will develop
 - d. List what you need to make it happen
4. Document the results of your discussion with an app of your choice (e.g. Book Creator, Mindmeister, iMovie,...) so you can present it to class later and take it back to your organisation/school.
